# Board of Directors Welcome

Hot Springs Village functions in many ways like a municipality. Using your assessment dollars and fees, Hot Springs Village provides water, wastewater treatment, sanitation, roads, fire, ambulance, and police protection, plus a variety of amenities like golf, lakes, trails, a performance auditorium, racquet sports, and some food and beverage establishments.

Hot Springs Village is not governed as a city council with representatives from wards. We are a not-for-profit, mutual benefit corporation governed by a board of 7 elected directors. Communications to the board can be directed to [boardmembers@hsvpoa.org](mailto:boardmembers@hsvpoa.org)

Our board meetings are held on the third Wednesday of each month at 9:00 am at Ponce De Leon Center, 1101 DeSoto Blvd.

All of you moved here, we presume, because you were attracted to the outstanding golf, the gorgeous natural setting, the variety of recreational activities, the regional offerings in Hot Springs and elsewhere, the moderate climate – all at a cost that is favorable to other places you might have considered. The POA is responsible for developing and maintaining Hot Springs Village for all the reasons you moved here. So, should you have a question or concern about any of it, your first call is to the POA office at 501-922-5556. Ultimately, our General Manager is accountable for the successful operation of our Village.

In contrast, our role as the HSV board is not operational. As an association, our legal purpose that the board must uphold is “to preserve the value of, and to promote the health, safety, and welfare of the residents and commercial owners of, the real estate described in the Declaration”. Our role is to set strategic direction for the Village, and to provide resources for pursuing that strategy and for funding operations – while making sure we remain compliant with the declaration, by-laws, and policies. We hold our General Manager, accountable for achieving strategic goals that have been set, and for operating the Village efficiently and effectively. So, unlike council members from municipal wards, we directors are not the ones to call to try to get a pothole on your street fixed or if you’re dissatisfied the class offerings at the fitness center. Please call the POA office for those types of concerns.

# Public Safety

## **OUR PUBLIC SAFETY DEPARTMENTS**

Hot Springs Village takes care of safety through the Hot Springs Village Fire Department, Hot Springs Village Police Department and LifeNet Ambulance Services. Our police officers are commissioned in both Garland and Saline Counties. The Police Department is located at 113 Calella Road. The non-emergency number for the Police Department is 501-922-0011. Of course, 911 is the number for an emergency.

Four fire stations are located throughout the Village, staffed by both full-time firefighters, and assisted by a fully trained volunteer firefighting contingent. Proudly, our Fire Department maintains a Class 4 ISO rating and Hot Springs Village is also certified as a Firewise Community.

Through a contract with LifeNet, Hot Springs Village can provide three Advanced Life Support Ambulances within the Hot Springs Village gates. A small fee added to your bi-monthly utility bill allows us to keep these ambulances located within the gates. Member fees provide for three advanced life support units in Hot Springs Village but not the cost of patient services. Ambulance service charges paid by the users through insurance or out-of-pocket directly to the ambulance service provider.

Information about our Emergency Services can be found at [explorethevillage.com/members/services/emergency-services/](https://www.explorethevillage.com/members/services/emergency-services/)

## **CITIZEN'S POLICE ACADEMY**

Our Citizen Police Academy provides Village members working knowledge of our Village Police Department, its personnel, policies, and procedures. The Academy keeps citizens informed about police activity and improves police-community relations. Two hours per week for 8 weeks. Information concerning the Citizen's Police Academy can be found at [hsvcpaaa.com](http://hsvcpaaa.com)

# Animal Services

Please be sure your pets are registered with the POA Administrative Office so they can make it back home safely if lost in the Village. Our pet registration form is at [explorethevillage.com/images/members/forms/Pet-Registration.pdf](https://www.explorethevillage.com/images/members/forms/Pet-Registration.pdf)

The Hot Springs Village Compliance Department manages our no-kill Animal Shelter. Animal Control officers are responsible for picking up animals, advising property owners, and providing care for animals during the time they are in their possession. Volunteers with the Hot Spring Village Animal Welfare League assist at the shelter's adoption desk and conduct public awareness activities and fundraising. [hsvawl.org](http://hsvawl.org)

# Members Section of explorethevillage.com

When you click on the green MEMBERS tab at the top of explorethevillage.com, you'll be taken to a section we've set aside just for current members and residents of Hot Springs Village. There are four areas of this Members home page:

1. The navigation bar that includes Services, Governance, Golf & Recreation, Forms and Contacts
2. Quick Links along the side, linking you to the pages our members visit most often
3. Links to pages that require a member login
4. Links to publicly available information that members use to stay in the know

## 1. NAVIGATION BAR

The navigation bar is organized into topics to explore.

## SERVICES

Animal Services, a directory of Clubs, Organizations and Businesses, Emergency and Healthcare Services, Permitting and Compliance, Public Utilities, Streets and Sanitation.

## GOVERNANCE

Documentation of Property Owners Association business. Board Members and Meeting Minutes, Committees, Financial Reports, Governing Documents, Mission, and POA Leadership.

## GOLF & RECREATION

Amenity Contacts, Coronado Library, Dog Park, Event Tickets, Golf, Golf Calendar, Recreation Calendar, Lakes, Outdoor Pool, Pickleball, Recreational Fees, RV Park, Tennis, and Trails.

## FORMS

Registrations and Applications for just about everything, including your vehicles, boats, pets, and private golf carts.

## CONTACTS

Addresses, phone numbers and operating hours for POA administration and amenities, plus a convenient online contact form for communicating with your POA.

## **2. QUICK LINKS**

This handy side bar appears on most pages of the Members Section. Quick Links is a list of pages you're likely to use often.

This includes:

### ACTIVE ADVISORIES

Provides current news on closures and operational changes such as road closures.

### COURSE CONDITIONS, PICKLEBALL CONDITIONS, COURT CONDITIONS

These sections are updated daily to provide golfers, pickleball players and tennis players current conditions and tips for using their favorite sports facilities.

### GATE ACCESS

This is the fastest way to request permission for your guests to enter our East and West Gates.

### VACATION WATCH FORM

A form to advise Hot Springs Village Police when you'll be away from home. They'll keep an eye on your home while you're gone.

## SUBDIVISION RECORD PLATS

Very detailed diagrams and data on every residential neighborhood in Hot Springs Village.

## LOCAL WEATHER

The Weather Channel® page on current conditions in Hot Springs Village.

### **3. LINKS TO PAGES THAT REQUIRE A MEMBER LOGIN**

These six links take you to pages that can only be reached after you login to the members portal. You will need your member number and password.

## ASSESSMENTS & UTILITIES

Check your account statements, golf rounds history, edit your profile and keep current on your transactions with the POA.

## GATE ACCESS

Each POA member has access to both staffed and unstaffed gates using their personal POA membership card. It is a violation to let anyone else use your personal card (even relatives). Your Sponsored Guests (relatives and friends) and Visitors (deliveries, home health workers, lawn services, etc.) must enter through staffed gates (West or East Gate). **The fastest and best way for you to arrange their authorized entry is by using this online Member Portal.** It is quick and easy. In emergencies, you can call the gates to authorize entry (security officer's primary duty is to monitor entering vehicles, so you may have to leave a message).

It is a violation to lend your card to anyone and to use your card at unstaffed gates to allow Guests or Visitors to enter

## PASSES & REGISTRATIONS

Enables you to register your boat, private golf cart, vehicles, and pets. You can even buy an annual Dog Park pass and sign up for GHIN (Golf Handicap Information Network).

## BOOK A TEE TIME

Allows you to reserve an available time that hasn't already been reserved through the Golf Lottery. This page is for tee times less than 5 days in advance.

## GOLF LOTTERY

Where you request tee times 5 to 14 days in advance.

## RESERVE A COURT

Schedule your times at our Coronado Tennis Center.

### **4. LINKS TO PUBLICLY AVAILABLE INFORMATION**

These six links take you to pages that are accessible to everyone, without a member login.

# Golf

Hot Springs Village provides unmatched variety and value for golfers of all ages and skill levels. Our POA operates eight golf courses: seven 18-hole golf courses and one 27-hole golf complex. That's 153 holes! Golfers can play a different course every day of the week!

## **ANNUAL GREEN FEE PASSES**

Annual passes are available for individuals or couples and provide unlimited green fees at all eight courses for the calendar year (January 1 - December 31). Annual passes can be purchased with or without an annual cart lease. Annual green fee passes receive one complimentary range card with the pass (two cards for a couple's pass). A range card is good for 30 range buckets of approximately 20 balls per bucket. Annual golf passes must be purchased online or at the POA Administration Building. All green fee passes will have an added golf surcharge to fund Golf Reserves for future maintenance and course rehab needs.

## **ANNUAL CART LEASE**

An annual cart lease provides you a POA-owned golf cart every time you play. This lease is available as a stand-alone, or you can combine it with an annual green fee pass.

## **PRIVATE CART REGISTRATION**

Golf carts operated on the roads and trails of Hot Springs Village must be registered and display an HOT SPRINGS VILLAGE registration decal. Golf carts must have these specific safety devices: two front mounted headlights, white in color and a pennant or colored flag of high visibility orange fastened to a pole at least (7) feet above ground. All private golf carts in the Village must pay a registration. The registration includes a decal for your cart trailer, if needed. Members with the registration only will still pay the daily private cart fee each time they play golf. The Annual Private Cart Registration covers the required registration and also includes unlimited daily cart fees for the calendar year.

## **GHIN (GOLF HANDICAP AND INFORMATION NETWORK)**

Want to play in a golf league or tournament? What's your handicap? Most require a GHIN registration, which is the USGA Handicap System. Today there are more than 14,000 golf clubs and more than 2.3 million golfers using GHIN in the US and around the world. Annual registration or renewal is \$30 per person. The GHIN registration

form is available on our Members website under Forms ([explorethevillage.com/members/forms](http://explorethevillage.com/members/forms)).

### **SUPER SENIORS**

Members 80 years of age or older may purchase amenities at a 50% discount. Super Seniors can also play the Coronado Golf Course on Tuesdays and Thursdays for a \$0 green fee. Cart fees still apply at full rate. To be eligible for Super Senior rates, members must validate their age at the POA Administration Building. Members turning 80 in the current year are eligible for Super Seniors rates.

### **ROARING 90S**

Members who substantiate they are 90 years of age or older may use recreational amenities free of charge. Cart Fees still apply at the full rate. Members must validate their age at the POA Administration Building. Members turning 90 in the current year are eligible for Super Seniors rates.

## **Parks and Recreation**

### **CORONADO TENNIS CENTER**

Tennis improves your balance, agility, coordination, and reaction time. The Coronado Tennis Center includes 10 clay courts, 3 hard courts, ball machine, lessons, a junior tennis program and league play. Playing on clay courts reduces the impact on your joints and back and produces slower ball bounce than traditional courts. League play is organized by the Hot Springs Village Tennis Association.

### **CORONADO FITNESS CENTER**

Regular exercise is key to living a long, healthy life. The Coronado Fitness Center (CFC) offers an indoor three-lane walking track, a large weight and cardio area with new equipment arriving annually, a wide variety of land and water classes, a 25-meter indoor heated pool, whirlpool, sauna, steam room, and two large locker room facilities with showers. Massage Therapists and Personal Trainers are also on site.

You can get a workout in one of many ways. The CFC offers group classes, the opportunity to work with personal trainers, a variety of equipment that you probably don't have at home, a safe place to exercise, and support and camaraderie with like-minded fitness friends.

Coronado Fitness Center membership is limited to Hot Springs Village members. Annual membership is \$450 for an individual or \$787.55 for a couple when paid upfront; \$517.50 for an individual or \$905.68 when paid in 12 monthly installments.

The CFC is a contracted center that accepts insurance reimbursement plans for fitness center use. Please see the staff at the Fitness Center for a list of the insurance plans we accept for reimbursement. If you plan to visit the center at least 58 times in a year, the Annual pass provides the best savings.

For our members age 65 and older, your health insurance plan may enable you to belong to our Fitness Center for little or no cost. Talk to your insurance provider to find out if you qualify.

### **AUTOMATIC BANK DRAFT (ACH) OPTIONS**

You can purchase Golf, Fitness & Tennis Annual passes by monthly automatic bank draft. This service requires payment in full over 12 months without cancellation but allows you to make monthly payments instead of paying the full amount up-front. ACH forms can be found on the forms page of our member website.

### **PICKLEBALL**

The Hot Springs Village pickleball facility consists of 14 courts renovated in August 2021. Players can participate in open play, leagues, and tournaments.

Pickleball is a paddle sport that combines elements of tennis, badminton, and table tennis. Players use paddles to hit a perforated ball over a net. Pickleball can be played with two or four players.

League play is offered by the Hot Springs Village Pickleball Club. Although it's not as cardio-intensive as tennis, pickleball can still get your blood pumping. An hour or two of pickleball will get every inch of your body in motion!

### **OUTDOOR POOL**

Our zero-entry pool features areas for accessing water in the shade, in-water bench seating, a deep end of 8 1/2 feet with surface diving, swim lessons, a snack bar, pool house, deck seating in both shade and sun, loungers and cabana rentals. We have an ADA-accessible ramp and ADA-accessible lift for pool access. The pool is typically open from May to September.

### **LAWN BOWLING**

A low-impact, therapeutic exercise, lawn bowling can improve fitness, coordination, and confidence. The Hot Springs Village Lawn Bowling Green is made of artificial turf. The object of the game is to place the ball as close as possible to the target, which is called a jack.

## **BOCCE BALL**

Bocce is a simple game played by people of all ages and skill levels. To play, you pitch the pallina from a line at the end of the court and then try to get your bocce balls as close to the pallina as possible while knocking your opponent's bocce balls away from the pallina.

## **CROQUET**

Our new croquet lawn is located next to Lawn Bowling and Bocce Ball. In croquet, a player hits a wooden ball with a mallet through hoop-shaped wickets.

## **FREE AMENITIES**

### **TRAILS**

Get back to nature and enjoy the fresh air. We have over 30 miles of trails throughout our community. Walk your dog, take a quick run, hike, or ride your bike on one of these beautiful trails.

### **PICNIC AREAS**

All picnic areas are open to Hot Springs Village members and their guests. All areas have picnic tables, grills, and restrooms. There are picnic areas at Balboa Beach, Cortez Beach, DeSoto Beach, DeSoto Family Recreation Area, Coronado Boat Ramp, Balboa Pavilion, and Cortez Pavilion located at Cortez Boat Ramp. All picnic areas have shaded shelters and pavilion rentals.

### **DESOTO RECREATION AREA**

In addition to pickleball courts, the DeSoto Recreation Area has two half-court basketball courts, playground and small covered picnic area, and an 18-hole miniature golf course. 209 DeSoto Boulevard.

### **GROVE PARK**

Grove Park is an open park area next to the Ponce de Leon Center. It features a community stage for performances, a small pocket park with swings and a slide, as well as picnic tables and a grill. Grove Park is home to the seasonal Green Market, the Village Fall Fest and month-long Grove Park lighting in December. 1105 DeSoto Boulevard.

# Arts and Entertainment

## **PONCE DE LEON CENTER**

The Ponce de Leon Performing Arts Center in Hot Springs Village has a lot going on. Home to the Ouachita Activities Building, a rental facility for meetings, special events, and the POA's Board of Director meetings, the grounds also contain the Casa de Carta and the Woodlands Auditorium. 1101 DeSoto Boulevard | (501) 922-4423

## **WOODLANDS AUDITORIUM**

The Woodlands Auditorium is a 650-seat theater featuring state-of-the-art sound and lighting for a complete performance experience. The facility hosts approximately 75 cultural and entertainment events per year, including Broadway-style musicals, drama, dance, vocal and choral performances. Box Office: (501) 922-4231, or online at [hsvticketsales.com](http://hsvticketsales.com)

## **CASA DE CARTA**

When you need a break from the physical activities that abound in Hot Springs Village, try your hand at bridge or a host of other card games. Casa de Carta is Hot Springs Village's House of Cards hosting games of bridge, pinochle, cribbage and more played up to seven days a week. Play is organized by the Village Card Club.

## **CORONADO COMMUNITY CENTER & LIBRARY**

Available as a rental facility for meetings, special events, dances and dinners, the Coronado Community Center has a variety of rooms available for your next event.

The community center also houses the Coronado Library which boasts an extensive audio book and DVD library in addition to a wide selection of fiction and mysteries as well as nonfiction, young adult, and children. Wi-fi and computer terminals are also available. In addition, the library stocks a sizeable paperback and puzzle lending selection - just take them home, enjoy them, and bring them back on the honor system.
